

Victoria District May Initiations

The “Return to Lodge” after the challenges of COVID 19 has been both joyful and triumphant for all concerned. May heralded four Initiations into our ancient and beloved Craft. This month I wish to extend my especial welcome to Bros. Bro Matthew Bragg, Christopher Coumbs, Lucas Rees, and Evan Hargreaves into Victoria District. My congratulations to the Masters of the District, and notably the 2nd Vice President who organized the Annual Junior Wardens Degree team, for showcasing the talent and fortitude of the District in making this First Step meaningful for our newest Brethren. Well done!!
